By three methods we may learn wisdom: First, by reflection,
which is noblest; Second, by imitation, which is easiest; and
third by experience, which is the bitterest.

~Confucious

From the Desk of Chairman

Mr. R A Chaudhary
Chairman

WE

*train our students
by creating
curiosity for knowledge
and develop imagination
into tangent realities
so that their
learning processes
continue as long as
they live*

Welcome to ACN Institute for Higher Education.

With the firm believe that we can modify and use knowledge for the benefit of human race, ACN Group imparts value based teaching for the upliftment of society.

The institution provides quality education strictly as per the norms laid down by NCTE, at affordable fee with innovative learning methodology and International education standards. We train our students by creating curiosity for knowledge and develop imagination into tangent realities so that their learning processes continue as long as they live.

To achieve its objective of promoting and propagating academic profession with the spirit of human service, our institution adopted a student friendly approach to reach out to the world and join like minded institutions and individuals.

May our students see dreams and fulfill them with the everlasting blessings of the Almighty.

R. A. Chaudhary

An Introduction

In the present scenario, there has been an immense educational advancement in the educational world. To match this challenge, Mr. R.A. Chaudhary, a great reformist and an old scholar of Aligarh Muslim University, Aligarh under the auspices of A.I.E.R. Society (Registered under S.R. Act 1860) established a college under the caption of ACN Institute for Higher Education, Aligarh in 2006. This college is committed to provide modified and value added education in the line and norms set by the UGC and M.O.H.R.D. The college is duly recognized from 2006 by the N.C.T.E, Jaipur and affiliated with Dr. B.R.Ambedkar University, Agra

The College is an autonomous non-profit making body situated on Anoopshahar Road, Aligarh at the distance of 6 km from Aligarh Railway Station and 4 km from Aligarh Muslim University towards north on the Anoopshahar Road leading to Kasimpur Power House.

The ACN Institute for Higher Education, Aligarh has the privilege of serving the community with a full-fledged and well equipped College with ultra modern facilities. The College is committed to deliver quality education in the field of Higher Education. The main target and motto of imparting education is to accord with its holistic mission of contributing to the national stream of building a pool of competent professionals/teachers for development of educational system in India and extend it to the world over.

The

art of training is the art of assisting innovations

The Success Story

The organization as it is known today is a success story which was started in the year 1993 as an institution of ISM. Today, in this short span, we can boast of fulfilling our objectives and achieving set targets of interactive education.

Organization demands were ever increasing and the resources were limited, it has been the sheer will power and wise leadership of Mr. R A Chaudhary as Chairman-cum-Managing Director which kept the organization moving in the right direction. The group now confirms its commitment in the form of various educational institutions, nationally and internationally To build a learning society in which every individual has the opportunity to fulfill his/her potential, building a worthwhile career & actively participating in the lives of their community.

Education
is the transformation of
Civilization

Our Vision

Our Vision

We intend to transform personalized teaching into a high degree of instructive profession.

'The illiterate of the 21st century will not be those, who cannot read and write, but those who cannot learn, unlearn and relearn.'
~Alvin Toffler

Our Motive

The motive of our institution and zeal is to take teaching not only as a profession but also as a mission. We wish to extend good teaching complemented with experience - knowledge - vision and interesting presentation.

Infrastructure

Library

College Library is a Computerized Library with information centre. The College library has about 4700 volumes of books. In addition to these, a wide range of reference materials, text books, encyclopedia, dictionaries, newspapers and periodicals are available to meet the requirements of the students. Further, the college subscribes about 200 national and international journals and magazines for the access of students.

Laboratory & Workshops

We believe that teaching and learning must have a balanced mix of both theoretical as well as practical knowledge. Thus we emphasize on the need for adequate exposure to the practical. This exposure is facilitated through experiments in well equipped laboratories and workshops which are functional in college.

Educational Technology Lab

E.T. Lab is one of the best labs in College to provide communication skills for planning, organization and controlling of classroom teaching. It contains latest hardware's and software's in the field of teaching education, Overhead Project (O.H.P.), Slide Projector, Wide screen T.V., V.C.D, Radio, tape recorder, Microphones, Education Cd's Charts and Models etc. The E.T. lab has proper facility for development of instructional material for teaching and learning.

Infrastructure

Micro-teaching Clinic

Micro-teaching clinic, fully equipped, includes Digital Video Camera, Multimedia LCD Projector and Plasma TV Monitor.

Psychology Laboratory

A well equipped psychology laboratory includes essential psychological tests like Intelligence Test, Creativity Test, Aptitude Test, Attitude Test, Achievement Test etc., with proper manuals and scoring keys and equipments which fulfills the training requirements. These tests can help the Pupil-Teachers to understand the psychology of their pupils / learners as well as their colleagues.

Science Labs

The college has well settled and equipped labs by which pupil-teachers can acquire competencies relevant to pedagogy and the understanding of the content in teaching subjects / method. Through these labs pupil-teachers will be able to foster creative thinking for the reconstruction of knowledge.

Health & Physical Education

Health education is provided with the help of medical professionals. Physical education is imparted with necessary materials and equipments.

Infrastructure

Computer Lab

The Computer lab is equipped with very high speed servers and work stations powered by the latest Pentium-IV series. A good number of computers have been provided to faculty, administration and accounts sections. Complete power back up is provided with Guard on-line UPS and individual UPS for every personal computer. Peripherals include : Dot Matrix, Laser and Inkjet Printers, HP Scanners and CD Writers, etc.

The current range of software that are available at the labs include Operating Systems (Windows 2003 Server, Windows XP Prof., Windows 2000 Prof.), Data Bases (MS-SQL Server, Oracle9i), Languages and tools like (Turbo,C++, MS Visual Studio, NET, Turbo, Assembler, JDK etc.) and software for office use like (MS Office 2000, Antivirus Softwares etc.).

Training Methodology

Training Methodology

Our teaching methodology includes regular classroom training with audio – visual aids, tutorials in small groups for personalized attention etc. Our faculty members have standardized and documented all their lecture notes, tutorials and question banks along with suggestions in form of soft copy.

Co-curricular Learning

After regular college hours, students are encouraged to enroll for different co-curricular personality development programs. The institute has a well developed playground and have number of indoor and outdoor games. .

Scholar Assessment

Our students are subjected to a 360° assessment system (by the faculty and superiors) in order to ensure and maintain finer quality in teaching standards.

Human Resource

The College has highly qualified, dedicated regular and guest faculties to develop qualified and well informed instructive professionals.

"To

value his own good.

Opinion, a child has to feel that he is a worthwhile person.

He got to have confidence in himself

as an individual"

Hostel & Other Facility

The institution provides hostel facilities (for both Boys & Girls) to those who opt to reside at the campus. At present there is enough capacity to meet the demand separately for girls and boys. Each hostel has a warden to ensure that proper ambience is maintained for efficient learning and comfortable living. Hostel comprises of messing facilities, Common rooms, STD/PCO and other recreational facilities, Transport Facilities, Medical Unit / Dispensary, Faculty Flats, Guest House, Water Treatment Plant, Canteens, Adequate facilities for Sports and Games.

Living in campus enables rapid involvement of students' in college activities. These activities help students to make friends and assimilate with the community on campus. We appreciate that sooner you feel at home, the sooner you will be able to come close to your studies with confidence, and we aim to make their studies with confidence and we aim to make this transition as smooth as possible. Whether you decide to live in the college hostel or find your own accommodation in Aligarh, the Administrative Office is there to provide help, information and advice.

The rooms are adequately furnished. A weekly laundry service is provided and each hostel has its own common room and cafeteria.

The Hostel Fee will be charged Rs. 50000/- per annum which includes the charges of fooding, lodging and transportation.

Other Facilities

Transportation facilities, Medical Unit / Dispensary, Faculty Flats, Guest House, 100% power supply back up, Security, Water Treatment Plant, recreation facilities, Canteen, facilities for physical activities through sports and indoor / outdoor games.
